IMPORTANT RISK DISCLOSURE

ETFs involve risk including possible loss of principal. There is no assurance that the Fund will achieve its investment objective.

Equity Risk: The value of the equity securities held by the Fund may fall due to general market and economic conditions, perceptions regarding the industries in which the issuers of securities held by the Fund participate, or factors relating to specific companies in which the Fund invests.

Sector Focus Risk: While the Fund's sector exposure is expected to vary over time based on the composition of the Index, it may invest a significant portion of its assets in one or more sectors and thus will be more susceptible to the risks affecting those sectors.

Passive Investment Risk: The Fund is not actively managed and invests in securities included in or representative of the Index regardless of investment merit. The Fund generally will not attempt to take defensive positions in declining markets.

Index Provider Risk: There is no assurance that Brendan Wood, the Fund's index provider, will compile or maintain the Index accurately.

Tracking Error Risk: The performance of the Fund and the Index may differ from each other. For example, the Fund may not be fully invested in thesecurities of the Index at all times and may incur operating expenses and transaction costs not incurred by the Index.

Shares of ETFs are bought and sold at market price (not NAV) and are not individually redeemed from the ETF. Brokerage commissions will reducer eturns. NAVs are calculated using prices as of 4:00 PM Eastern Time. The closing price is the midpoint between the bid and ask price as of the close of exchange. Closing price returns do not represent the returns you would receive if you traded shares at other times.

Investors should carefully consider the investment objectives, risks, charges and expenses of the AXS Brendan Wood TopGun Index ETF.
