

### Class A Shares - Sales Charge Schedule

Each Fund offering Class A shares is sold at the public offering price, which is the NAV plus an initial maximum sales charge which varies with the amounts you invest as shown in the following chart. This means that part of the funds you contribute to a Fund to purchase Fund shares will be used to pay the sales charge.

Your Investment	Front-End Sales Charge As a % Of Offering Price <sup>1</sup>	Front-End Sales Charge As a % Of Net Investment <sup>2</sup>	Dealer Reallowance As a % Of Offering Price
Under \$24,999	5.75%	6.10%	5.00%
\$25,000 to \$49,999	5.00%	5.26%	4.25%
\$50,000 to \$99,999	4.75%	4.99%	4.00%
\$100,000 to \$249,999	3.75%	3.90%	3.25%
\$250,000 to \$499,999	2.50%	2.56%	2.00%
\$500,000 to \$999,999	2.00%	2.04%	1.75%
\$1,000,000 and above	0.00%	0.00%	See Below

<sup>1</sup> The offering price includes the sales charge.

<sup>2</sup> Represents the amount of sales charge retained by the selling broker-dealer

Because of rounding in the calculation of front-end sales charges, the actual front-end sales charge paid by an investor may be higher or lower than the percentages noted above. No sales charge is imposed on Class A shares received from reinvestment of dividends or capital gain distributions.

### Class A Shares Purchase Programs

Eligible purchasers of Class A shares also may be entitled to reduced or waived sales charges through certain purchase programs offered by the Funds as discussed below. Eligible purchasers of Class A shares also may be entitled to waived sales charges as discussed below under “*Net Asset Value Purchases*”. The availability of certain sales charge waivers and discounts will depend on whether you purchase your shares directly from the Funds or through a financial intermediary. Financial intermediaries may have different policies and procedures regarding the availability of front-end sales load waivers. In all instances, it is the purchaser’s responsibility to notify the Funds or the purchaser’s financial intermediary at the time of purchase of any relationship or other facts qualifying the purchaser for sales charge waivers or discounts.

**Quantity Discounts.** When purchasing Class A shares, if the dollar amount of your purchase reaches a specified level, known as a *breakpoint*, you are entitled to pay a discounted initial sales charge. For example, a purchase of up to \$49,999 of Class A shares of the Fund would pay an initial charge of 4.50%, while a purchase of \$50,000 would pay an initial charge of 4.00%. There are several breakpoints for the Fund, as shown in the “**Class A Shares - Sales Charge Schedule**” table above. The greater the investment, the greater the sales charge discount.

You may be able to lower your Class A sales charges if:

- you assure a Fund in writing that you intend to invest at least \$50,000 in Class A shares of the Fund over the next 13 months in exchange for a reduced sales charge (“Letter of Intent”) (see below); or
- the amount of Class A shares you already own in a Fund plus the amount you intend to invest in Class A shares is at least \$50,000 (“Cumulative Discount”).

By signing a Letter of Intent you can purchase shares of the Fund at a lower sales charge level. Your individual purchases will be made at the applicable sales charge based on the amount you intend to invest over a 13-month period as stated in the Letter of Intent. Any shares purchased within 90 days prior to the date you sign the Letter of Intent may be used as credit toward completion of the stated amount, but the reduced sales charge will only apply to new purchases made on or after the date of the Letter of Intent. Purchases resulting from the reinvestment of dividends and capital gains do not apply toward fulfillment of the Letter of Intent. Shares equal to 4.50% of the amount stated in the Letter of Intent will be held in escrow during the 13-month period. If, at the end of the period, the total net amount invested is less than the amount stated in the Letter of Intent, you will be required to pay the difference between the reduced sales charge and the sales charge applicable to the individual net amounts invested had the Letter of Intent not been in effect. This amount will be obtained from redemption of the escrowed shares. Any

remaining escrowed shares after payment to a Fund of the difference in applicable sales charges will be released to you. If you establish a Letter of Intent with a Fund, you can aggregate your accounts as well as the accounts of your immediate family members. You will need to provide written instructions with respect to the other accounts whose purchases should be considered in fulfillment of the Letter of Intent.

The Letter of Intent and Cumulative Discount are intended to let you combine investments made at other times for purposes of calculating your present sales charge. Any time you can use any of these quantity discounts to “move” your investment into a lower sales charge level, it is generally beneficial for you to do so.

For purposes of determining whether you are eligible for a reduced Class A sales charge, you and your immediate family members (*i.e.*, your spouse or domestic partner and your children or stepchildren age 21 or younger) may aggregate your investments in a Fund. This includes, for example, investments held in a retirement account, an employee benefit plan, or through a financial advisor other than the one handling your current purchase. These combined investments will be valued at their current offering price to determine whether your current investment amount qualifies for a reduced sales charge.

You must notify a Fund or an approved financial intermediary at the time of purchase whenever a quantity discount is applicable to purchases and you may be required to provide the Fund, or an approved financial intermediary, with certain information or records to verify your eligibility for a quantity discount. Such information or records may include account statements or other records regarding the shares of the Fund held in all accounts (*e.g.*, retirement accounts) by you and other eligible persons, which may include accounts held at the Fund or at other approved financial intermediaries. Upon such notification, you will pay the sales charge at the lowest applicable sales charge level. You should retain any records necessary to substantiate the purchase price of the Fund’s shares, as the Fund and approved financial intermediary may not retain this information.

Information about sales charges can be found on the Funds’ website [www.axsinvestments.com](http://www.axsinvestments.com) or you can consult with your financial representative.
